| _____ watercolor paint set                        |   |

### ***IN ADDITION TO THE CLASSROOM SUPPLY LISTS***

Each family is to provide one container of anti-bacterial wipes for classroom use. Students are not to bring rubber cement or liquid white-out. Also, no supplies that can be used as toys are to be brought to school.

\*Students should have athletic shoes at school at all times to change into for PE and recess, if they are not already wearing them. Lack of athletic shoes will not excuse students from walks/run or PE.

First graders and transfer students will receive a Bible as a gift. Third graders and transfer students will receive Luther's Small Catechism as a gift. These gifts will be presented during a worship service in September (watch the school newsletter for details).
